## Fund Run Corporate Sponsorships

This spring St. John School is hosting our annual 5K Fund Run on our Westminster, Maryland campus. The 5K Fund Run is St. John School's signature fundraising event and provides much needed resources in support of our mission to provide a rigorous academic education in a values-based environment.

Our Eagles are doing their part. By the time our students graduate, they are confident and empowered to reach their full potential intellectually, physically, and spiritually. Many of our eighth grade graduates earn scholarships to private or parochial high schools. Our St. John graduates continue to make a difference as medical doctors, international humanitarian relief workers, teachers, scientists, and even as nationally ranked athletes.

We are asking for you to help our Eagles soar. **Please consider sponsoring our event.** As always, 100% of your donation will directly benefit St. John School. Funds raised through this year's event will provide mobile educational assemblies that promote engaging and interactive experiences which align with our school curriculums. Prior Fund Run donations have funded new playground equipment, replacing bleachers in our school gym, classroom projectors, laptops for teachers, our much-used 3D printer, and interactive whiteboards.

St. John School is featuring several sponsorship opportunities this year. Your sponsorship will be recognized throughout the school and community as detailed on the following page.

<b><i>Platinum Level</i></b>	\$3,000
<b><i>Gold Level</i></b>	\$1,000
<b><i>Silver Level</i></b>	\$250

In the event you are unable to sponsor the St. John 5K Fund Run this year, please consider making a monetary donation. Any corporate donation will be recognized on our St. John website the month of June 2025. Every donation counts. Your participation truly makes a difference.

Sincerely,

Shannon Laney  
Fund Run Chair
